

DENTON ECONOMIC DEVELOPMENT PARTNERSHIP INVESTOR OPPORTUNITIES

To remain competitive and to keep up with the ever changing business climate, the Denton Economic Development Partnership develops partnerships and engages in strategic marketing efforts on behalf of the City. The Partnership is supported by stakeholders from a diverse array of industries who have a critical interest in Denton's business and workforce development.

OUR INVESTORS:

- Participate in critical conversations impacting Denton economic development
- Gain access to local decision makers and elected officials
- Learn of new businesses, City projects, and community engagement opportunities

OUR WORK:

- Promote Denton's assets through national digital marketing
- Fund free business coaching services at Denton's Small Business Development Center
- Pursue prospective companies and developers exploring Texas markets
- Broker partnerships with universities and the public sector on behalf of the business community
- Engage Denton businesses seeking to expand in the City
